Dear Sir:-

I am in receipt of the Colin N. King Collection Catalogue by you for sale April 5th and 6th, 1892.

I notice that No. 1455 is a black walnut coin cabinet, very fine. As I am about ordering a new cabinet and notice that you will send photographs free to those applying, I wish you would send me one and see if it is what I can use.

I bought considerable coins at your last sale through Major Nichols, who was present. I do not know whether he will attend this sale or not.

The above catalogue is sent me by the Scott Stamp and Coin Co., of New York.

Yours truly,

Dear Sir:-

Sometime since I wrote you requesting you to send me a photograph of the Coin Cabinet which is for sale at auction April 5th and 6th. I have not yet received the same. As I am expecting to have plans for a new cabinet, I should like to see what this is like before completing mine and it may be possible that this Cabinet would answer my purpose fully as well as a new cabinet.

I am also in receipt of yours enclosing rubbings of $50 gold piece and should have answered before.

I do not know whether you have sold the same, or not, but should be very much pleased to see it. I do not know whether you would care to send it to me for my inspection or not but should you care to do so I would be pleased to receive it and can refer you to Major C. F. Nichols and W. C. Stone of this city with whom I think you are acquainted.

Please let me know as soon as possible as I am expecting daily a letter from San Francisco in regard to one that I saw there last June.

Yours very truly,
